Holiday Lighted Parade coming up, courthouse starts Christmas decorations

The Holiday Lighted Parade is less than a month away.

We would love to have your business or organization join us. We expect a big one!

The theme is The Joy of Volunteering. The parade will be 7 p.m. Tuesday, Nov. 22. We will also have our courthouse lighting ceremony at the same time.

Chamber volunteers, in conjunction with the city and county, have already begun the work of setting up the decorations.

The big star already is atop the courthouse, with more to come as the decorations on the pecan trees will begin at 8:30 a.m. today. Come join us!

One of the main additions this year will be a bigger Christmas Tree.

A 20-foot outdoor commercial tree was purchased and erected last year.

A 10-foot extension was shipped and arrived just this week, as well as a new 5 1/2 foot star for the top. That makes the tree, from top to bottom, 35 1/2 feet tall.

We thank again the literally dozens of financial contributors to this project as well as our volunteers, the county and city for all the work that it takes.

A big hats off to David Bueck, the Wharton-born architect that designed the project, drew the specifications, and has served as the glue that holds the whole thing together.

Another source of that glue is the city’s Bob Baker and the county’s Paul Shannon, essential to the success of this project.

Thank you all!

Welcome new chamber members!

They are: Frances & Co., KM Surveying LLC, and Wharton County Junior College Alumni Association.

Frances & Co., 102 W. Alabama St., will have an open house from 3 to 6 p.m. Tuesday, Oct. 4, with the Chamber Ribbon Cutting at 5 p.m.

Bare Tanks, 1733 Carter St., which joined the chamber last month, will have an open house from 5 to 7 p.m. Thursday, Oct. 6, with the Chamber Ribbon Cutting at 5:30 p.m.

SWTJC Rodeo set next weekend

Southwest Texas Junior College will host its 46th consecutive National Intercollegiate Rodeo Association (NIRA) event next weekend in Uvalde.

Events at the rodeo will start at 7:30 p.m. on Thursday, Friday, and Saturday.

For the second straight year, the rodeo will be held at the SWTJC arena, located off of Garner Field Road just east of the SWTJC campus.

The college's finest will be the best, as we will be hosting the rodeo at the college arena again this year, said SWTJC rodeo coach Roy Angermiller. "We have added to our grandstand since last year, so there will be plenty of good seats available."

The SWTJC Rodeo is the first competition this fall in the Southern Region of the NIRA.

Other fall rodeos are scheduled in Mt. Pleasant, Corsicana, Nacogdoches, and Lake Charles, La.

Over 300 collegiate athletes, representing some 10 colleges and universities in the NIRA's Southern Region, are expected to compete in Uvalde.

Nationally renowned rodeo stock contractor Terry Walls will provide stock for this year's event.

Professional rodeo clown and bull rider "Backflip" Johnny Dority of Athens will also be a featured part of this year's event.

"Backflip" Johnny is considered one of the nicest clownS in the Professional Rodeo Cowboys Association, said Angermiller. "We know he will do a great job of keeping the crowds entertained during and between events."

As for the rodeo competition, SWTJC teams will go up against men's and women's teams from Sam Houston State, Texas A&M College Station, Texas A&M-Kingsville, McNeese State, Still Colledge, Northeast Texas Community College, Trinity Valley Community College, Stephen F. Austin University, and Wharton County Junior College.

The men's division competition will feature bareback bronc riding, saddle bronc riding, steer wrestling, team roping, and bull riding. Events for the women will include barrel racing, breakaway roping, and goat tying.

Southwest Texas Junior College will be represented by 27 athletes next weekend when SWTJC hosts its 46th annual rodeo. The National Intercollegiate Rodeo Association Southern Region event will feature rodeo teams from across Texas and Louisiana. The performances at the SWTJC Arena will begin at 7:30 p.m. on Thursday, Friday, and Saturday.

Tickets for nightly performances are $10 presale and $10 at the gate. Local ticket outlets include Texas Farm Store, Rockin' R Western Wear, WalMart, Country Gardens and Seed, Honda National Bank, Oasis Outback, and the SWTJC administration office.

Children 12 and under, and SWTJC students who show a current student ID, will be admitted free of charge. Fair queen makes dream come true

At age 10, Caitlin Desirae Herrera of Richmond won every girl’s dream, being crowned the 2011 Fort Bend County Fair Queen.

Caitlin, a sweet and thoughtful young lady ran for last year’s Fort Bend County Fair Queen and placed fourth. But she did the right thing this year instead of giving up, she tried again.

It was a combination of last year’s experience and the people around her that gave her the confidence and understanding to run again this year.

“I didn’t decide I was going to run again for fair queen until the day of the mandatory meeting we had to be at,” Caitlin said.

“My dad encouraged me on a daily basis. He kept telling me that it may be hard work but hard work will always pay off and it did.”

In previous years, Caitlin helped family friends run for fair queen, which shown her how valuable this contest could be.

After experiencing that, and then placing in last year’s run and receiving a scholarship, Caitlin knew it was a chance she didn’t want to pass by.

“You’re still able to obtain a percentage of your amount raised in the form of a scholarship by placing in the contest without winning the crown, therefore, I felt like no matter what happened it was well worth it. Since I was going to college the next year, I felt like this was something that I definitely had to do,” Caitlin said.

Caitlin’s family and friends helped her sell tickets and hold fundraisers.

“I literally had family and friends posted everywhere around Richmond and Rosenberg selling tickets for me all day during the past two weeks,” she said.

“By having fundraisers, this allowed me to be able to raise money to purchase tickets and donate to the less fortunate and other non-profit organizations. This was very rewarding for me to be able to give back to the community while the community was helping me.”

Setting a new individual record for ticket sales among the fair queen candidates and receiving a percentage of the money raised, Caitlin worked hard for her scholarship and earned $15,000.

She said she entered the race with no expectations.

“I absolutely did not think I was going to win at all, so standing on that stage waiting to get called, I was very, very nervous. My knees were buckling,” Caitlin said.

“When they called my name for fair queen, I was in such disbelief. I seriously could not believe they just called my name. All I could do was cry!”

What her favorite thing about fair week?

“Definitely all the little kids. Every time they saw me they’d run up and say ‘are you the queen?’ It melted my heart,” Caitlin said.

“It was amazing. I loved every minute of it,” she said.

Now that the fair is over, Caitlin can reflect on it all.

“There will be additional duties throughout the year, and I will be ready to fulfill them as I am honored to represent the Fort Bend County Fair,” she said.

A freshman at Wharton County Junior College in Sugar Land, Caitlin has dreams of transferring to the University of Texas-San Antonio to study journalism and be a reporter.

Like every student, she’s faced with the challenges school brings.

“I just have to keep telling myself, diligence and hard work will pay off and in order to be successful when I’m older, I have to get through this, and one day I will be done with school. So I better buckle down right now,” she said.

Caitlin loves to dance, shop, hang out and go fishing. She even taught me a new version of how to Copperhead slide, a popular country line dance.

She gives credit to her mom and dad. “They encouraged me to be the very best that I can be and never lose confidence in myself. They are my all time biggest fans ever,” she said.

She said her mom is her role model.

“My family is awesome in the way they support me. We have a great support team within my family. I couldn’t have done it without them.” Caitlin said.

Grateful to everyone who helped her, Caitlin thanked everyone including family friends and local businesses.

“My friends, they’re very supportive. They were my mental support team. They stood by my side and were so excited for me.”

“Would also like to say that I could not have been more proud to be a part of the 2011 Fort Bend County Fair with the awesome directors and committees in charge. They were an awesome group of people to work with and a big thank you to the Fair President William Carter for a great 2011 Fair and all the hard work that went into it.”

Fort Bend County is blessed to have Caitlin as its 2011 Fair Queen.

**Fillies burn Pioneers, 3-0**

The Panola College volleyball team took a break from conference action Monday night, but the squad was far from having an off-night. The Fillies started slow in their match with Wharton County Junior College, falling behind 7-4 and 12-9. But they exploded from that point as they captured a straight-set win over the Pioneers, 25-15, 25-19, 25-13, here in Arthur Johnson Gymnasium.

The win came off the heels of a pair of tough Texas Eastern Conference losses to No.2-ranked Blinn (1-3) and No.3-ranked Tyler Junior College (2-3) last week.

week. The Fillies improved to 13-7 on the season with Monday's win and will jump back into league play Thursday night when they host Trinity Valley Community College at 6 p.m. in Arthur Johnson Gymnasium. The Fillies will also be at home on Saturday for a nonconference match with Hill college at 2 p.m.

The Fillies, who are in third place behind unbeaten Blinn and TVCC, are in third place in the conference standings and fighting for one of the top four spots, so they can qualify for the conference tournament. Panola College head coach Nicole Thorn said her team has put the tough losses behind them and are looking toward the future.

"I wasn't worried about carryover from last week coming into tonight," Thorn explained when asked if she thought her team might struggle after losing the tough conference matches last week. "We let those matches go and they're history now. All we can do is focus on our next opponent, which is TVCC. Last week is in the past and we can do anything about it.

"Our goal is to make the (conference) tournament and hopefully go in as the No.3 team so we can play TJC again. But we have to take care of the rest of our matches and it starts with TVCC on Thursday."

The Fillies, who have been nursing some injuries, used the blowout victory to rest some of their starters for the second and third sets of Monday night's victory and to also get some of the bench players some well-deserved time on the court.

Starting setter Samantha Nielman picked up 12 assists in the first set and then watched as freshman Emily Adams (Katy, Tx) came in and finished the match with 28 assists, two digs and a pair of kills.

Other non-starters that performed well included freshman middle blocker Jasmine Austin (Houston, Tx), who had five kills and a block, freshman Sarah Allem (Humble, Tx), who added a pair of kills, and freshman Hannah Hildebrand (Carthage, Tx), who produced three service aces. Freshman Francieli do Carmo (Curitiba, Parana) also added a kill.

"I thought everybody that came into the match did a great job," Thorn praised. "They all came in and gave us positive minutes and that's what we needed them to do. In these kinds of matches we want them to come in and have fun and be able to work on the things that our team really needs to work on and I thought everybody contributed and did a good job tonight."

That didn't mean that Panola starters didn't put up good numbers while they were in the contest. Josie Santos made her presence known with 12 kills, six digs and a pair of blocks, while Marcela Alves was all over the floor with 10 kills, five digs, five blocks and an assist.

Carthage's Hall Turner also moved well on the floor both offensively and defensively, picking up six kills, six digs, a block and an ace. Vanessa Gomes also attacked the net, tallying eight kills and two blocks.

"There were some things we were trying to work on as far as our team was concerned and we did that," Thorn added. "We didn't do a good job starting the match, but we did a good job of finishing each set.

"And we've been dealing with some injuries lately, so it was good to get some of those players off the court and get some of the other players on the floor so they could get some work."

Game 1

It wasn't a strong start as the Fillies fell behind 12-9. But when Hildebrand stepped to the line and picked up an ace and Turner followed her up with one of her own, they seemed to spark Panola College. In fact, Turner served seven straight points, with Alves adding a kill and a block during the 8-point run as the Fillies used a 16-3 burst to finish the set and cruise to the 25-15 final.

Game 2

The squads went back and forth in Set 2, with Alves recording three kills in the Fillies' first six points, but the Pioneers stayed close at 7-7 and actually held a 9-7 lead at one point.
Panola College then began moving the ball and utilizing the power game as Alves tallied three kills. Austin added a pair and Santos slammed four herself to help the Fillies go on a 17-9 run to finish the set to claim the 25-19 win.

Game 3

The Fillies then turned on the afterburners in the third set as they bolted out to an 11-3 lead. Gomes and Alves both had a pair of kills and a block during the march. Panola College had little trouble after that, building a 20-10 lead before settling for the 25-13 final.

WHARTON — Wharton County Junior College was recently awarded one of six Adult Basic Education Innovative Grants from the Texas Higher Education Coordinating Board to increase participation and success in workforce training programs.

The college received the maximum grant amount, which totals $515,450.

The two-year grant will enable qualifying students who are enrolled in WCJC’s Adult Basic Education classes to concurrently work toward certification in either medical coding and billing or personal computer technical support.

The grant pays all costs associated with the programs.

Classes in these specialized programs begin in January 2013.

The medical program is a six-month program followed by a short internship.

Upon completion, WCJC will assist graduates in job placement.

The PC technical support specialist certification requires one year of classes.

A unique feature for students in this grant program is that WCJC and Adult Basic Education instructors will collaborate in teaching. This will allow participants to apply the GED and ESL skills they are learning in their classes to the specialized training.

“This is an intensive program,” said Amanda Frankum, interim transitions specialist of WCJC’s Adult Basic Education program. “Students must show commitment as they will attend classes four to five days each week.”

Prospective participants in the program must attend an orientation on Oct. 7-8 or Dec. 8-9 at WCJC. Registration is available in the Adult Basic Education office or online at wcjc.edu by linking to Adult Basic Education on the left side of the page.

The focus of the grants is to prepare unemployed and underemployed adults — the majority of whom are not English fluent — for career-path employment and post-secondary education in high-demand or regional employer-driven occupations.

WCJC’s Adult Education Program delivers instruction for GED preparation; improves basic academic skills such as reading, math and writing; and develops speaking and writing communication skills for ESL students. All instructional services in this program, including books, are free.

Palominos gallop by Cougars

By Bruce Harper
Bee-Picayune staff

BEEVILLE — The Laredo Junior College Palomino volleyball team swept through the CBC Cougars on Wednesday night in three sets.

The scores in the best of five match were 25-16, 25-11 and 25-16.

The Cougars started slowly in each of the three sets, falling behind six or seven points in the early going. That hole is tough to dig out of and the Cougars pulled within four points in the first and third sets late in the contest but could not find the winning push to pull even with the Palominos.

“We definitely picked up our passing in the second two games. Despite the improvement within the team this year, we are having trouble showing it for an entire match,” said CBC head coach Kristin Clee-Charlton.

“We have played with teams except for six or eight points. We need to figure out a way to push hard the entire game.”

The front line defense was a strong point for the Cougars in the match. Several Laredo hits were sent right back across the net on blocks by the Cougar front line.

“Overall our blocking looked really good this game. Both of our middles, Brittanie Best and Shanise Wilson, did a good job of controlling their offense,” said Clee-Charlton.

The Cougars will finish their home season next Wednesday night when they host the Wharton County Junior College women. It will be the CBC Cougars’ “Dig Pink Match” to bring awareness to the fight against breast cancer. The first serve is set for 7 p.m.

“Wharton is a good team, so we will need to play tough every point of the match,” said Clee-Charlton.

The Cougars’ final match of the season will be on the road at Lee College in Baytown on Oct. 27.

**Dig Pink Match**

The Coastal Bend College women's volleyball team, in an effort to help raise awareness, will host a "Dig Pink Match" on Oct. 19 at 7 p.m. in the CBC gymnasium.

The Cougars will be taking on Wharton County Junior College and would like to invite all members of the community to come out and cheer them on to a victory over the Pioneers – and breast cancer.
Roger D. Morrow

Roger D. Morrow, 57, of Alvin, Texas passed away on October 5, 2011 in Houston, Texas.

He was born October 23, 1953 in Osvaldo, Iowa to Delbert Harvey and Margaret Ann (Sterrett) Morrow. They lived in neighboring towns and were reared in Sigourney, Iowa.

At the age of 12, he and his siblings, an older brother, Danny, and a younger sister, Kathy, moved to Wharton, Texas. The siblings were soon to be joined by another sister, Julie. Roger progressed through the Wharton public schools and graduated in 1971 from Wharton High School.

He then attended Wharton County Junior College and graduated with an Associate in Electronics Technology and began working for Houston Lighting and Power Company. It was at this time that he met Ruby Meyer, a student at Wharton County Junior College School of Dental Hygiene. They were married on November 29, 1975. Roger was recruited by Intermedics, Inc. and they settled in Alvin, Texas and reared two children, Christina and Matthew.

After many years at Intermedics, he became a part of the aerospace industry - something that he had always wanted to do. He had just recently retired.

Roger collected all Beatles albums, loved to ride motorcycles, liked classical music, was good at anything electrical, and had the uncanny ability to pick out and buy just the "right" car for you.

WCJC receives $4.1 million grant

The U.S. Department of Education has awarded Wharton County Junior College a five-year grant totaling $4.1 million to develop and implement activities to bolster student learning and success in the fields of science, technology, engineering and mathematics (STEM). The program targets Hispanic and low income students.

WCJC’s grant, The STEM Success Project, was awarded $4,146,193 through the Hispanic-Serving Institutions STEM and Articulation Program, which is authorized under Title V of the Higher Education Act. WCJC will use the funding to develop a comprehensive STEM Success Center.

According to Dan Jones, WCJC's director of institutional effectiveness, the center will integrate STEM academic and student support services; revise and upgrade course and programs; focus faculty development on STEM-related issues; and increase STEM articulation agreements among WCJC and four-year universities.

To help targeted students explore and engage in STEM fields of study, the WCJC STEM Success Center will offer project-based learning, counseling and advising, hands-on and interactive supplemental instruction and tutoring, and a multitude of STEM multimedia and library resources.

Also, the center will offer STEM Summer Bridge programs to high school students entering WCJC; STEM career, transfer, and study skill courses; STEM workshops and seminars; and other needed resources and referrals.

While WCJC is developing transfer programs and articulation programs for targeted students to continue their study at four-year universities, it will also explore learning opportunities for WCJC faculty at these institutions. The grant calls for a study of faculty exchanges, internships, mentor programs, and STEM research with other educational institutions.

Title V of the Higher Education Act was enacted in 1998 to expand educational opportunities for Hispanic students and to increase their post-secondary academic success. Title V grants support the expansion and enhancement of the academic offerings, program quality, and institutional stability of the colleges and universities that educate the majority of Hispanic college students in the United States.

Hispanic-Serving Institutions are defined as those with full-time equivalent (FTE) undergraduate Hispanic enrollment of at least 25 percent. WCJC currently serves a Hispanic population comprising 33 percent of its total enrollment.
WCJC gets adult education grant

Wharton County Junior College was recently awarded one of six Adult Basic Education Innovative Grants from the Texas Higher Education Coordinating Board (THECB) to increase participation and success in workforce training programs. The college received the maximum grant amount, which totals $515,450.

The two-year grant will enable qualifying students who are enrolled in WCJC's Adult Basic Education (ABE) classes to concurrently work toward certification in either medical coding and billing or personal computer technical support. The grant pays all costs associated with the programs.

Classes in these specialized programs begin in January 2012. The medical program is a six month program followed by a short internship. Upon completion,

WCJC will assist graduates in job placement. The PC technical support specialist certification requires one year of classes.

A unique feature for students in this grant program is that WCJC and ABE instructors will collaborate in teaching. This will allow participants to apply the GED and ESL skills they are learning in their ABE classes to the specialized training.

"This is an intensive program," said Amanda Frankum, interim Transitions Specialist of WCJC's Adult Basic Education program. "Students must show commitment as they will attend classes four to five days each week."

Prospective participants in the Adult Basic Education Innovative Grant program must attend an orientation. One orientation was held earlier this month.

Another is scheduled for Dec. 8-9 at WCJC. Registration is available in the Adult Basic Education office or online at wcjc.edu by linking to Adult Basic Education on the left side of the page.

The focus of the Adult Basic Education Innovative Grants, according to THECB, is to prepare unemployed and underemployed adults — the majority of whom are not English fluent — for career-path employment and post-secondary education in high-demand or regional employer-driven occupations in Texas.

WCJC's Adult Education Program delivers instruction for GED preparation; improves basic academic skills such as reading, math, and writing; and develops speaking and writing communication skills for ESL students. All instructional services in this program, including books, are free.

WCJC receives $4.1M grant

The U.S. Department of Education has awarded Wharton County Junior College a five-year grant totaling $4.1 million to develop and implement activities to bolster student learning and success in the fields of science, technology, engineering and mathematics (STEM). The program targets Hispanic and low income students.

WCJC’s grant, The STEM Success Project, was awarded $4,146,193 through the Hispanic-Serving Institutions STEM and Articulation Program, which is authorized under Title V of the Higher Education Act. WCJC will use the funding to develop a comprehensive STEM Success Center.

According to Dan Jones, WCJC’s director of institutional effectiveness, the center will integrate STEM academic and student support services; revise and upgrade course and programs; focus faculty development on STEM-related issues; and increase STEM articulation agreements among WCJC and four-year universities.

To help targeted students explore and engage in STEM fields of study, the WCJC STEM Success Center will offer project-based learning, counseling and advising, hands-on and interactive supplemental instruction and tutoring, and a multitude of STEM multimedia and library resources. Also, the center will offer STEM Summer Bridge programs to high school students entering WCJC, STEM career, transfer, and study skill courses; STEM workshops and seminars; and other needed resources and referrals.

While WCJC is developing transfer programs and articulation programs for targeted students to continue their study at four-year universities, it will also explore learning opportunities for WCJC faculty at these institutions. The grant calls for a study of faculty exchanges, internships, mentor programs, and STEM research with other educational institutions.

B. Information Item:

1. Authorize the purchasing department to publish a request for qualifications for the purpose of selecting an architectural firm to do preliminary drawings, planning, and design for an addition to the Johnson Health Occupations Center (estimated $75,000.00 – plant repair and replacement fund)

SUBJECT:

Ratify electricity service agreement.

RECOMMENDATION:

Ratify the President's decision to purchase the College's electricity for the Sugar Land campus on Julie Rivers Drive from Direct Energy for the period from 1-1-2012 through 12-31-2013 at a cost of .057 per kWh.

BACKGROUND/RATIONALE:

The College let the electricity agreement expire at the Julie Rivers Drive location since we thought we were selling the building and didn't want to incur any penalties for underutilizing our electricity commitment. In April we realized that we were paying a month to month rate at Sugar Land and we, (with the President's approval) signed an agreement that reduced our cost by 27% for the rest of 2011. This agreement will make all the expiration dates on our electricity contracts the same, 12-31-2013.

Estimated Cost & Budgetary Support (how will this be paid for?): Estimated $47,000.00 a year.

Re: Tax Re-Sale Bid.

Dear Chairman:

On February 10, 2010, pursuant to a judgment and order of sale in cause number 00-DCV-115533a, the Taxing Authorities auctioned property account number 0243-000000-810-906 at public constable sale for nonpayment of property tax. There were no bids received at auction and title passed to Needville Independent School District as trustee for all Taxing Authorities to whom taxes were owed.

On August 29, 2011, Needville Independent School District passed a resolution and order selling account number 0243-000000-810-906 to Juan Zavala for $22,000.

Enclosed are the School District’s Resale Deed, Bid Analysis, and Bid for the Commissioner’s Court to review. The School District requests that this matter be heard at the next available WCJC Board of Trustees meeting so that the Trustees may vote to either approve or disapprove the Juan Zavala sale.

If you have any questions concerning this matter or need further information or clarification about this account or any other matter please do not hesitate to contact me.

RE: Senate Bill 1 / Exemption of goods in transit

Dear Mr. Kocian:

BACKGROUND

In 2007, the 80th Texas Legislature enacted Tex. Tax Code § 11.253 (House Bill 621) which implemented the goods-in-transit exemption authorized by Texas Constitution, Art. 8, sec. 1-n. That bill defined “goods-in-transit” in part as tangible personal property detained in a location in this state whose owner did not have direct or indirect ownership of the facility at which the property was assembled, stored, manufactured, processed, or fabricated.

House Bill 621 also provided for a local option to tax goods-in-transit notwithstanding the authorized exemption. And, a number of taxing units chose to do so beginning in tax year 2008 by taking official action through their governing bodies.

NEW LOCAL OPTION AVAILABLE

The 82nd Legislature has now enacted Senate Bill 1, amending § 11.253 and, through that amendment, has narrowed the definition of “goods-in-transit.” The amendment is effective October 1, 2011 and it applies to tax years 2012 and subsequent. The only exemption now authorized relates only to those goods being stored.

Senate Bill 1, under the new subsection (j-1) of Section 11.253, also requires that if a taxing unit wishes to tax the newly defined goods-in-transit, then it must take affirmative action to do so, even if the taxing unit previously acted under House Bill 621 back in 2007. If the taxing unit favors the exemption, then no affirmative action need be taken.

STEPS TO TAKE IN EXERCISING LOCAL OPTION TO TAX THE PROPERTY

The governing body of a local taxing entity may elect to tax goods-in-transit, but only after holding a public hearing for the purpose of providing your taxpayers the opportunity to express their opinions on the subject. The public hearing may be held in conjunction with a
regular meeting of the governing body. And, there is no requirement for publishing notice of the hearing other than including notice of the public hearing on a regular meeting agenda.

If your taxing unit chooses to tax goods-in-transit for the tax year 2012 and subsequent years, the governing body must act no sooner than October 1, 2011 and no later than December 31, 2011. If your taxing unit elects to tax goods-in-transit, those goods will remain taxable until the governing body takes action to rescind or repeal its previous action and grant the exemption.

In the event that your governing body wishes to take the affirmative action necessary in taxing the property, we are enclosing herewith a form of Resolution, Ordinance, or Order which needs to be passed and approved by the governing body prior to January 1, 2012.

Finally, you must send a copy of any resolution, ordinance, or order passed by your governing body to each chief appraiser for each appraisal district that serves your taxing unit. A form of transmittal letter to the chief appraiser is enclosed for your convenience.

A copy of the relevant part of Senate Bill 1 and a copy of its analysis are also enclosed. We hope you find this material helpful, regardless of which policy your taxing unit chooses to follow. Please feel free to call on us if we can be of further assistance.

Very truly yours,
