WCJC Raises Consumer Spending

- WCJC employed 322 full-time and 219 part-time faculty and staff during FY 2008-09, with an annual payroll of $21.1 million.
- WCJC had a total operating budget of $32.8 million, of which $23.4 million (or 71%) was spent in the service area.

WCJC Stimulates Economic Growth

- WCJC spending for supplies and services in FY 2008-09 generated a net impact of $19.4 million in added income in the economy.
- The increased productivity of area workers due to the accumulation of past and present WCJC skills in the workforce contributed approximately $269.0 million in added income in FY 2008-09.

WCJC Creates a Skilled Workforce

- WCJC activities encourage new business, assist existing business, and create long-term economic growth. The college enhances worker skills and provides customized training to local business and industry.
- It is estimated that in FY 2008-09 the WCJC Service Region workforce embodied about 873,900 credit hours of past and present WCJC training. These added skills promote business productivity and increase income in the area.
