   b. The sale or offer for sale of any food or drink item in an area designated in advance by the Vice President of Student Services or a designated representative for the conduct of such activity.

   d. The collection of admission fees for the exhibition of movies or other programs that are sponsored by a student or registered student organization, and are scheduled in accordance with College regulations.

   e. No organization may solicit under this section for more than a total of 14 days, whether continuous or intermittent, during each fiscal year.

2. No solicitation shall be conducted on the grounds, sidewalks, or streets of any property either owned or controlled by the College, except as approved by the Vice President of Student Services.
C. Permissible Solicitation

Solicitation made pursuant to the terms of this policy must be conducted according to the following:

1. The solicitation will not disturb or interfere with the regular academic or institutional programs being conducted in buildings or on property owned or controlled by the College.

2. The solicitation will not interfere with the free or unimpeded flow of pedestrian and vehicular traffic on sidewalks and streets and at places of ingress and egress to and from buildings owned or controlled by the College.

3. The solicitation will not harass, embarrass, or intimidate the person or persons being solicited.

D. Violation and Penalty

If, after a reasonable investigation, the Vice President of Student Services determines that a solicitation is being conducted in a manner violating this policy, the Vice President of Student Services may prohibit the offending student or registered student organization from soliciting on the campus for such period or periods of time determined to be appropriate. In the case of a registered student organization, the Vice President of Student Services may cancel the registered status of the organization. A student in violation of this policy shall also be subject to disciplinary measures as authorized by Board policies and administrative regulations. [See Regulation 592.] Any investigation shall afford the accused student or registered student organization every right guaranteed by the due process clause of the United States and the Texas Constitutions.
