Welcome! Kids’ College is celebrating its 26th year. Interesting, stimulating, and enjoyable learning experiences are provided for students in kindergarten-12th grade. Over 120 courses are offered in the areas of computers, language arts, math, science, the arts, special studies, sports, and dance.

**SCHEDULES AND FEES**

- All classes are Monday – Thursday.
- Kids’ College classes will meet one hour per day with 15 minutes between classes. The cost is $65.00 per class. Students may register for as many as seven Kids’ College classes per session. Students may not have an open period between classes and remain on campus unless attended by a parent or another adult.
- Classes are held from 7:30 a.m. – 5:00 p.m. There is a 30 minute lunch break between morning classes and afternoon classes.
  - Lunch Schedule: Kindergarten–1st grade............ 11:00 a.m.–11:30 a.m.
  - 2nd grade & up .............................................. 12:00 p.m.–12:30 p.m.
- Afternoon Fun: 4:00 p.m. – 5:00 p.m.

**REGISTRATION**

Select your courses according to the grade level that your child will be entering in the fall of 2015. Child should be 5 years old by September 1, 2015. Please complete one registration form and a photographic release letter per child. Registration will not be accepted by email or fax under any circumstances.

There are two ways to register for the courses you select:

**MAIL-IN:**

Simply complete the registration form, release form and mail the forms at least seven days prior to your child’s start date. The mailing address is 14004 University Blvd., Sugar Land, Texas, 77479. Payment by check or credit card must accompany the registration. Make checks payable to: WCJC Kids’ College. Please include driver’s license number, date of birth of check holder.

All mail-registrations must be received by June 8, 2015.

**COME-IN:**

You may register in person beginning May 18, 2015, at the WCJC Sugar Land Campus, 14004 University Blvd., Sugar Land, TX 77479.

<table>

<td>9:00 AM – 11:00 AM</td>
</tr>
</tbody>
</table>

After the program begins on June 15, 2015, there will be no registration on Fridays and all registrations after June 11th will be at Fort Settlement Middle School.

**Please Note: There will be no registration on Friday, June 12, 2015.**

**Late Evening Registration:**

Held every Tuesday between May 18th and June 11th only.

Registration hours at Fort Settlement Middle School are 8:00AM-4:00PM Monday through Thursday beginning June 15th, 2015.

**PAYMENT**

Payments accepted are cash, money order, check, or credit card. Please include driver’s license number, and date of birth of check holder. Beginning June 15th, all general registration will take place at the Kids’ College location at Fort Settlement Middle School.
FIRST DAY PROCEDURES

Step 1:
Report to the name badge tables to pick up your child’s name badge and dismissal identification sign or go directly to the gym if your child is registered for Morning Fun.

Step 2:
Before leaving the name badge table, assist staff in identifying student pick-up locations and have name badges marked accordingly. Check badges for scheduling errors. If an error is made, please take the badge to the registration office.

Step 3:
Escort your kindergarten and/or 1st grade student to the K-1 hallway. Do not leave your child without staff’s knowledge and supervision. If the student is in 2nd grade or above please escort him/her to the cafeteria.

EARLY AND LATE ARRIVALS: NO EARLY ENTRY

Please do not bring your children earlier than 10 minutes before their class starts. The building is open at 7:30AM. No child is allowed in the building prior to 7:30AM. Late children are to go directly to the cafeteria where staff will assist them in getting to the correct classroom. Pick your child up immediately after their last class is dismissed. A late fee of $1.00 per minute applies for any child picked up later than 10 minutes after their last class is dismissed. If your child is attending Afternoon Fun, he/she is mandated to be picked up no later than 5:00 p.m.

SAFETY

Medical personnel will be on duty from 8:30AM-4:00PM (not during Extended Day). Students remaining on campus between the morning and afternoon program (30 minute lunch break) will be supervised by Kids’ College personnel.

HEALTH CONCERNS & SPECIAL NEEDS

Children with special needs are required to furnish documentation of their disability. All medication that is brought to the nurse for distribution during Kids’ College must be accompanied by a signed doctor’s note.

FOOD ALLERGIES

Please be aware that flour and peanuts may be a part of our food projects in some courses. If your child is allergic to these or any other ingredients, please request a Student Health Information Form from the Kids’ College Coordinator and submit the completed form at the time of registration. Children who are allergic to these items may be better served by enrolling in other classes, as we cannot modify these classes in order to accommodate each child’s needs.

CONDUCT

Basic standards of good behavior are required at all times for all students. Students may be removed from a class for disruptive behavior or be removed from the program for repeated disruptive behavior. No refunds are given in these situations. Shoes with wheels are not allowed. You will receive a call requiring you to bring a safe pair of shoes to your child immediately if inappropriate shoes are worn at Kids’ College.

EQUIPMENT STORAGE

An equipment room is provided for students who bring guitars, tennis racquets, golf clubs, etc. Students may check them in and out each day, or they may leave them overnight. Please label all equipment. Kids’ College is not responsible for lost or damaged equipment.
PARKING, DROP OFF & PICK-UP

PARKING, DROP OFF & PICK-UP: K-1 students and their siblings will use the front door entrance (orange parking), older students will use the red parking (last entrance).

• Morning Fun drop off will be at the gym entrance. Do not drop off students earlier than 10 minutes prior to the class start time. Participants may park in any parking space that is not reserved. Please walk children to the designated areas before class; there are signs to follow. Pick-up should be within 10 minutes of the child’s last class. There will be a late fee of $1.00 per minute per child after 10 minutes. When picking up your child please use the sign with your child’s name and authorization identifier given to you by the Kids’ College staff. Place it on the dash board of your car when driving through to pick up your child or carry it in any time you enter the building. If you fail to present this identification, please report to the office to sign your child out. NO CHILD IS ALLOWED TO WALK OR RIDE A BIKE TO KIDS’ COLLEGE UNLESS ACCOMPANIED BY AN ADULT-NO EXCEPTIONS.

KIDS’ COLLEGE CONCESSIONS

Concessions will be available during breaks as well as during the lunch period. All food and drinks are to be consumed in the commons area only.

Other healthy foods may be added to the menu. Please notify the Kids’ College medical personnel if your child has food allergies or any dietary restrictions.
K.C.'s REMINDERS:

- Students are never allowed to be dropped off more than 10 minutes prior to class.

- If your child is attending Morning Fun they may not be dropped off before 7:30AM.

- Classes will not be held on Fridays.

- You must display your I.D. tag daily. This will be issued at the time you pick up your child’s name badge. This can be brought in or displayed on the dash of your car each time you arrive to pick your child up.

- There will be no class changes after the end of the first day of each session.

- A late fee of $1.00 per minute per child will apply for any child picked up later than 10 minutes after their last class is dismissed. If your child is attending Afternoon Fun, he/she will need to be picked up no later than 5:00 p.m. CASH ONLY.

- REFUND POLICY: A refund request must be made in writing a minimum of three full working days prior to the first class meeting (the Tuesday prior to the 1st day of class). No refund or prorating will be honored for absenteeism or any other reason such as travel, illness, etc. An email may be sent to youthactivities@wcjc.edu. Please include name, contact information, session and course(s).

- There will be a K-1 lunch from 11:00 AM to 11:30 AM. Class will be held from 11:30 AM to 12:30 PM.

- Parent visitation by invitation only.

Workshops must have a minimum of six students. You will be notified by telephone if a workshop is cancelled for any reason.
COMPUTER WORKSHOP COURSE DESCRIPTIONS:

Computer workshops are offered in both AM and PM sessions. You may choose to select one class for the AM session and a separate class for the PM session. Please see page 6 for the schedule of courses.

FLASH GAMES: ............................................. GRADES 4&up

Students will create both a short movie and functioning flash game with multiple levels. Students will learn concepts such as frame by frame animation as well as learn basic action script functions.

GRAPHICS: ............................................. GRADES 4&up

Want to learn computer graphics like the pros? Use Adobe Photoshop Elements to create graphic files for print and online presentation. Special emphasis will be on digital photography and working with and managing digital files.

WEB DESIGN: ............................................. GRADES 4&up

Students will become familiar with the World Wide Web. They will know the difference between the internet and the web. Students will learn how to make websites and be able to present their projects in a knowledgeable manner.

SESSION III 4:00PM-5:00PM
CRN#...COURSE NAME GRADE LEVEL
51213...Afternoon Fun K&cup

* New classes may be added to this session. Please check our Youth Activities Website or Kids’ College registration office for a list of added classes.
MORNING FUN – AFTERNOON FUN (no Friday classes)

MORNING FUN: 7:30am – 9:30am ........................................... (Cost $65.00)
Students will participate in supervised activities until the start of the morning Kids’ College classes.
AFTERNOON FUN: 4:00pm – 5:00pm ........................................... (Cost $65.00)

LANGUAGE ARTS

READER’S THEATER ................................................................. Gr. K-1; 2-3
This action class is designed to enhance student comprehension by introducing them to expressive children’s stories which they act out with their peers. Fun and exciting children’s stories are building blocks of this class. New books are used each session.

HOOKED ON BOOKS ............................................................... Gr. K-1
A student learns to become a good reader while listening to award winning stories. Students improve listening comprehension with follow-up activities games, crafts, and songs. New books are used each session.

READING FUN ................................................................. Gr. K; 1
Students focus on phonics while working on sequencing and sentence comprehension. New books are used each session.

COOK-N-BOOKS ................................................................. Gr. K-1; 2-3
Students enjoy reading favorite storybooks and creating fun snacks that relate to the stories. Students sample their creations. New books are used each session.

READING ENRICHMENT ...................................................... Gr. 2-3; 3-4
For grades 2&3: Selected books and/or stories and activities to help students develop comprehension, fluency, sequencing, and higher order thinking skills. For grades 3&4: Various forms of literature and activities to help students develop comprehension, fluency, sequencing, and higher order thinking skills.

FRENCH ................................................................. Gr. 4-8
Bonjour! Students learn basic vocabulary and simple conversation as well as the history and culture of France.

STAAR READING ......................................................... Gr. 3(Replacing the TAKS test in public schools)
Students practice skills to enhance their ability to perform their best when the time comes to take the STAAR test.

READING COMPREHENSION ........................................... Gr. 4-5; 6-8
Students improve reading skills using compare/contrast, context clues, fact and opinion, generalizations, etc. Working in groups and sharing verbally will be incorporated when reading various stories.

BOOKMAKING ................................................................. Gr. 2-4
Students become authors when they creatively publish their own book. Improve writing skills, make up stories, and illustrate a personally published masterpiece.

CURSIVE WRITING ....................................................... Gr. 2-3
Students practice the fine motor skill of cursive writing while helping them protect grades with handwriting that is neat and easier to read.

AMERICAN SIGN LANGUAGE ........................................... Gr. 3-5; 6&up
Kids will learn basic vocabulary and everyday words in sign language by finger spelling and signing.

EXPRESSIVE WRITING .................................................. Gr. 2-4; 4-6; 3-5
Students develop writing process skills and gain confidence in their ability to write. Students explore and learn about the creative side of self. Illustration is optional.

WRITING ENRICHMENT .................................................. Gr. 4-5; 6&up
Students learn to expand their writing skills by expanding sentences using proper grammar, figurative language, and parts of speech which using various prompts. Working in pairs and oral presentations will be incorporated.

SPANISH ................................................................. Gr.K-1; 2-5; 4-8; 6&up
Hola! Students have fun and learn Spanish at the same time. Students learn basic Spanish vocabulary words. Activities include songs, stories, and games.
**MATH & SCIENCE**

**ALGEBRA** ................................................................. Gr. 6&up
Students are introduced to the basics of algebra including terminology, simplifying polynomial expressions, determining slope and intercepts, solving and graphing linear equations, systems of equations, and inequalities.

**GEOMETRY** ................................................................. Gr. 5-8
Students are introduced to basic geometric concepts and methods including area, volume, surface area, transformations, the Pythagorean Theorem, and other special triangles.

**MATH, ART, & GAMES** .......................................................... Gr. K-1
Students learn new math concepts and concepts learned are reinforced through art activities and games.

**NUMBERS** ................................................................. Gr. K-1; 2-3
Master simple addition and subtraction through creative play and activities. Have fun while building math skills.

**MONEY** ................................................................. Gr. 4-5; 6&up
Economics made fun with checkbooks, credit accounts, loans, stock investments, and profit-making activities. Students learn how to make a plan for saving and spending. Students work on a group project.

**ENGINEERING** .......................................................... Gr. 2-3; 4-5; 6&up
Engineers have a hand in designing, creating, or modifying everything we touch, wear, eat, see and hear. Introducing electrical, structural, and chemical engineering in the classroom connects science and math concepts to the everyday engineering that surrounds us.

**MATH MIND BUILDERS** .......................................................... Gr. 3-4; 5-6
Explore new ways to add, subtract, multiply and divide. Emphasis is on problem solving through hands-on games and drills.

**MATH MYSTERIES** .......................................................... Gr. 4-6
Hands-on approach for learning basic facts and problem solving, including fractions and decimals. Emphasis is on word problem solving. (A 4th grade or higher reading comprehensive level is suggested).

**PRE-ALGEBRA** .......................................................... Gr. 5-8
Students learn rules for integers, working with variables, and solving basic equations. Students work with fractions, decimals, and percents.

**K-1 SCIENCE** .......................................................... Gr. K-1
Young scientists work together while creating ooey, gooey, slimy concoctions. Students build, make, & create in this active class.

**REPTILES AND AMPHIBIANS** .......................................................... Gr. K-1
Herpetologists have discovered that even snakes and frogs have a place and purpose on earth. Learn fascinating facts about our cold-blooded friends.

**CREepy WITH LEGS AND WINGS** .......................................................... Gr. K-1; 2-4
Insects can be fascinating. Develop a respect and appreciation for the intriguing world of entomology. Creative art is used in the class to help students retain information. Live critters visit classes.

**DINosaurs** .......................................................... Gr. K-1
From the smallest to the largest, from plant eaters to meat eaters and from famous to the not-so-famous, this class provides all the dinosaur information you crave.

**LIFE UNDER THE SEA** .......................................................... Gr. K-1; 2-4
Experience knowledge of life in the ocean. From mammals to plant life, explore the mystical world of the underwater. Creative art is used in this class to help students retain information.

**JR. SCIENTISTS** .......................................................... Gr. 2-3
Calling all scientists to investigate the stranger aspects of science! Investigate states of matter, density, surface tension, and ink mysteries.

**SR. SCIENTISTS** .......................................................... Gr. 4-7
Get excited about physical science! This class includes hands-on activities with lots of fun. Students conduct experiments to discover properties of gases, fluids, energy, magnetism, light, sound, the human body, and more!

**SPACE ADVENTURES** .......................................................... Gr. K-1
Students will explore planets, stars and rockets. This course will send you on an adventure to infinity and beyond.
FIRST TIME ART .................................................. Gr. K-1
Children are introduced to the essentials of creative drawing by learning shapes, lines, and curves while using unique tools & methods. This class may get messy! A cover shirt or apron is required.

CRAFT CREATIONS .............................................. Gr. K-1; 2-4
Students expose their crafty side as they participate in all new hands-on projects. This class may get messy! A cover shirt or apron is required.

PUPPET FEST .................................................. Gr. K-1; 2-4
Students gain knowledge and apply it in this fun class. Students create and build many styles of puppets. Students learn proper applications of puppetry techniques and the definitions. This class may get messy! A cover shirt or apron is required.

CLAY CREATIONS ............................................. Gr. 2-3; 4-5; 6&up
Create pots, slabs, and clay figures using naturally drying clay. Students paint and decorate constructed forms. This class may get messy! A cover shirt or apron is required.

SCRAPBOOKING .............................................. Gr. 3-7
Students save favorite pictures in this class. Students use photo safe supplies, colored paper, pens, stickers, and stencils. This class may get messy! A cover shirt or apron is required.

WATER COLOR AND MORE ................................ Gr. 4&up
Students improve painting skills while working on fun painting projects. This class may get messy! A cover shirt or apron is required.

ACCESSORIZE ................................................. Gr. 2-5
In this unique class, students use raw materials to create an array of fashionable accessories. Students may design and make hair clips, headbands, necklaces, tote bags, and other accessories.

ORIGAMI ......................................................... Gr. 3-7
Learn how much fun the ancient art of Origami is while transforming flat pieces of paper into amazing insects, animals, games, and puppets.

WORKING WITH WOOD .................................... Gr. 2-3; 4-6; 7&up
Learn the techniques of working with wood using different adhesives, finishes, sandpaper, and nails. Students make age-appropriate projects. This class may get messy! A cover shirt or apron is required.

PHOTOGRAPHY (CAMERA REQUIRED) ............... Gr. 4-5; 6&up
This course introduces students to the different styles of photographic composition such as landscape, portrait, sports and photojournalism. A digital camera is required.

BEGINNING ACTING ........................................ Gr. 3-5; 6&up
Students learn the concept of acting. Script work is practiced. Students perform short scenes and monologues as they learn about movement for characters and how to block scenes.

IMPROV COMEDY ............................................. Gr. 2-5; 6&up
Whose line is it anyway? Students learn to be like the pros while learning to be smart, quick, and funny.

MUSICAL THEATRE; Lights, Camera, Action .......... Gr. 2-3; 4-6
Come ready to sing. Students learn music and performing techniques as they prepare a special performance.

GUITAR ......................................................... Gr. 3-5; 6&up
Learn basic skills for playing, maintaining, and tuning a guitar. A guitar and a guitar pick are required for class.
SPECIAL STUDIES

SPEED STACKING ................................................................. Gr. 2-4
Speed stacking is an individual and team sport that involves stacking specialized plastic cups in specific sequences in the least amount of time possible. Sequences are pyramids of three, six, or ten cups. Stacking develops hand-eye coordination, right and left brain activation, quickness, agility, and fitness.

SPEECH .................................................................................. Gr. 5&up
Students study oratory, prose, poetry, extemporaneous, persuasive, and informative forms of speech. Students practice public speaking skills including proper expression and body gestures.

DEBATE .................................................................................. Gr. 5&up
Students are taught how to communicate opinions in an organized manner. Students practice publically expressing a personal point of view and impromptu thinking and speaking skills.

GREEK MYTHOLOGY ........................................................... Gr. 4-6; 6&up
Students gain a better understanding of ancient Greece and Greek Mythology such as the culture, alphabet, and symbols through modern literature. Students participate in Olympic style games, costume creation, and shield making.

JUNIOR POLICE & FIRE ACADEMIES ................................. Gr. K-1; 2-4
These real life super heroes have a long history of intriguing young children. Children learn valuable safety lessons like how to handle bullying, stranger dangers, & stop, drop & roll. Children get up close and personal with police and fire fighters in uniform, fire truck equipment, a police car, drug dog, cuffs, nights sticks, etc.

CRIMINAL JUSTICE ............................................................. Gr. 4-7
From learning traffic stop procedures to positioning themselves for a career in law enforcement, students experience a packed two weeks in this course. Students are offered knowledge from police paraphernalia and proper use of force all the way to students working a staged crime scene.

FIX-IT YOURSELF ............................................................... Gr. 4&up
The nuts and bolts of simple home repair. Students learn how to change a bike tire as well as easy maintenance throughout the house like faucet replacement, lamp rewiring, replacing locks on doors, and ceiling fan assembly.

LAW & ORDER ..................................................................... Gr. 6&up
This course imparts an overview of the court system as well as police forensics. Students receive information to help differentiate areas of the law. Famous trials and unbelievable law suits are studied, as well as how and why verdict decisions are made. The 4th Amendment (search and seizure), plus legal terminology and symbols, are taught. This course ends with a mock trial.

WILD ABOUT ANIMALS ...................................................... Gr. K-1; 2-4
Experience a first-hand look at the life of animals. Students will learn about wild and domesticated animals.

ILLUSIONS .......................................................................... Gr. 2-3; 4-5
Learn the “how to” of tricks of the eyes. Amaze friends and family with optical illusions. The mind is stretched while an understanding of how illusions work develops.

TOTALLY GIRL ................................................................. Gr. 2-4; 5-8
Students learn how to make products like lip balms, soaps, bath salts, potpourri, and dried flowers.

CHESS .................................................................................. Gr. 3-5; 6&up
Learn basic strategies and enjoy healthy competition in this game. Students participate in a round-robin style tournament.

JUNIOR PARAMEDIC .......................................................... Gr. K-1; 2-4; 5-8
Students learn basic first aid techniques, rescue breathing, how to handle emergency situations, and personal body protection. Students are exposed to paramedic tools of the trade.
DIVINE DESSERTS ................................................................. Gr. 4-8
Students learn how to make simple, elegant desserts that leave guests wanting more. Students gain an understanding of basic baking techniques as well as the key principles of plating a dessert. Treats made in class are enjoyed by the students.
Please review allergy statement on page 3.

SNACK ATTACK ................................................................. Gr. 3-5; 5-8
After-school (or summer) snack with a twist. Students use recipes to safely measure, mix, and create healthy snacks. There is a tasting party with each snack made.
Please review allergy statement on page 3.

MASTER CHEF ................................................................. Gr. 5-8
From appetizers to desserts students learn to prepare healthy and balanced meals, discuss proper nutrition, and learn how timing and presentation are part of preparing a meal.
Please review allergy statement on page 3.

BABYSITTING ................................................................. Gr. 4-5; 6-9
Students are taught how to handle emergencies, entertain young children, prevent accidents, and apply simple first aid. A handy babysitting bag to take home is put together during this class.

EMBROIDERY ................................................................. Gr. 3-6
Learn basic and advanced embroidery stitches. Students design their own needlework projects.

LEADERSHIP SKILLS ......................................................... Gr. 4-5; 6&up
Develop communication and relationship skills for effective leadership. This class discusses how to handle peer pressure, goal setting, making good decisions, and problem solving strategies.

MEMORY TRAINING ......................................................... Gr. 3-5; 6-8
Students learn secrets to improve their memory. With a little practice, students find themselves retaining facts, figures, lists, formulas, poetry, and names like never before.

STUDY SKILLS ................................................................. Gr. 4-5; 6&up
Improve study habits and test-taking skills. Students learn how to increase the ability to concentrate, remember facts, record good notes, and study for exams.

PSAT/SAT PREPARATION .................................................. Gr. 7&up
Students get a head start on the SAT. Students learn skills and strategies for taking the SAT. Students develop a study plan to help obtain a higher score on the PSAT/SAT tests.

EFFECTIVE COMMUNICATION ........................................... Gr. 3-4; 5&up
Students study and practice the elements of communication while boosting self-confidence, learning how communicate with others, and having fun at the same time.

PROFILE OF AN ENTREPRENEUR ......................................... Gr. 5&up
The students start by learning the definitions of terms such as: franchises, small business, and entrepreneurship. Students select a business interest of their choice and create a business plan. This intriguing course helps students discover the entrepreneur mind within while studying entrepreneurs. There is more than one path to success.

ORGANIZATIONAL SKILLS ................................................ Gr. 3-5; 6&up
This course is designed to help increase the ability to produce results to gain success. From thinking and preparing to prioritizing and time management, students are taught the skills necessary to minimize the many difficulties of the adolescent years.

STRESS MANAGEMENT (LET IT ROLL) ................................. Gr. 2-3; 4&up
This course is designed for students to learn how to let things roll instead of allowing people or circumstances to rock their day. Students are given practical ways to think and stay positive while developing unstoppable positive energy.
SPORTS & DANCE

(Bring a water bottle daily marked with your child’s name.)

OUTDOOR FUN (AM only) .........................................................Gr. 2-4; 5-7
Students participate in outdoor activities and games such as ring toss, frisbee, croquette, horseshoes and more.

BASKETBALL BASICS .................................................................Gr. K-1; 2-4
Students learn the fundamentals of basketball while developing skills including dribbling, passing, and shooting. This class is for boys and girls.

BASKETBALL INTERMEDIATE (PM ONLY) ......................................Gr. 3-5
Students learn the fundamentals of techniques used in dribbling, shooting, passing, and defense on the next level. Students participate in drills to help develop skills in these areas. This class is for boys and girls.

BASKETBALL ADVANCED (PM ONLY) ..............................................Gr. 6&up
Students are required to have previous basketball experience or advanced skills. Passing/shooting drills are run, along with learning to play specific positions on the court. Games are played to practice “in game” situations. This class is for boys and girls.

SOCCER (AM ONLY) ......................................................................Gr. K-1; 2-5
Basic skills such as passing and ball control are emphasized. Experienced players practice foot-work skills and more advanced techniques of the game.

TENNIS (RACQUET NEEDED) .........................................................Gr. K-1; 2-4; 5&up
Students learn basic to intermediate techniques of the game. Students start with proper grip, move on to forehand and backhand strokes, then learn to volley, serve, and score! A racket, cap, and water bottle are required.

This form must accompany the registration form for every student.

**EMERGENCY RELEASE**

In the event of an emergency (illness or accident), an attempt will be made to contact you or the emergency number listed. If this fails, your child will be taken to the nearest emergency facility. A school representative will stay with your child until you or an alternate person assumes responsibility. I hereby release WCJC staff and instructors from all responsibility in case of accident.

---

**PHOTOGRAPHIC RELEASE**

I hereby grant Wharton County Junior College, and their respective licenses, successors, and assigns, the right and permission, with respect to those photographs taken of me or the minor named below on whose behalf I am signing, and with respect to any printed matter in connection therewith, to do the following:

I hereby release, discharge, and agree to indemnify and hold harmless Wharton County Junior College and their respective heirs, legal representatives, licensees, successors, and assigns, from all claims and demands whatsoever rising out of or in connection with the foregoing, and waive any right to inspect of approve the same.

A minor under the age of eighteen years, and hereby consent on behalf of said minor to the use of any of the photographs taken of said minor pursuant to the terms set forth in this photographic release, including without limitation, the released, discharge and hold harmless provisions thereof.

---

**Basic Standards of good behavior are required at all times for all students.**

- Students may be removed from a class for disruptive behavior or removed from the program for repeated disruptive behavior. No refunds are given in these situations. Shoes with wheels are not allowed. You will receive a call requiring you to bring a safe pair of shoes to your child immediately if inappropriate shoes are worn at Kid’s College.

- Students may be allowed to be dropped off more than 10 minutes prior to their class.

- If your child has any health concerns, special needs, or food allergies, please request and complete a student health information form.

- You must display your I.D. tag daily. This will be issued at the time you pick up your child’s name badge. This must be visible each time an adult enters the building or displayed on the dash of the car picking a student up.

- You must display your I.D. tag daily. This will be issued at the time you pick up your child’s name badge. This must be visible each time an adult enters the building or displayed on the dash of the car picking a student up.

- No class changes will be allowed after the first day of each session.

- Pickup should be within 10 minutes of the child’s last class. There will be a late fee of $1.00 per minute per child after 10 minutes. Students enrolled in afternoon fun will be assessed a late fee after 5:00 PM.

- Refund Policy: A refund request must be made in writing and receive a minimum of three full working days prior to the first class meeting (the Tuesday prior to the first day of class). No refund or prorating will be honored for absenteism or any other reason such as travel, illness, etc.

- K-1 Lunch is from 11 AM to 11:30 AM. Class will be held from 11:30 AM to 12:30 PM.

- Parent visitation is by invitation only.

- The use of cell phones and gaming devices in class is prohibited.

- Some classes may get messy! A cover shirt or apron may be required.
