#### **Grading Scale:**

100 - 93 = A, 92 - 84 = B, 83 - 75 = C, 74 - 67 = D, and 66 and below = F

#### **Grading Formula:**

Clinic = (scaling comps. - 35%, other comps. - 30%, professionalism - 35%)

**A grade of 75 is necessary to pass DHYG 2363 and progress in the dental hygiene program.**

**Grades will not be rounded up (example 74.5 is 74.5).**

#### **Point Breakdown for Clinical grade:**

Grades are based upon the number of "1's" received on completed comps.

Requirements must also be completed at a satisfactory level.

**Scaling Comps. (35%)**

0 = 75  
1 = 87  
2 = 100

**Other comps. (30%)**

0 = 75	4 = 84	8 = 95
1 = 77	5 = 87	9 = 98
2 = 80	6 = 89	10 = 100
3 = 82	7 = 92	

**Professionalism (35%)**

0 = 100	3 = 85
1 = 95	4 = 80
2 = 90	5 = 75

**Professionalism** is a major component of the clinic grade. All dental hygiene students are expected to demonstrate professionalism in behavior, manner, and judgment in the dental hygiene clinic and all rotation sites. Each student will begin the semester with a 100 in Professionalism.

The professionalism component will be based on the number of "5"s received throughout the semester in professionalism. Five points will be deducted from the professionalism grade for each "5" received.

The following must be completed no later than the last regularly scheduled clinic session to pass DHYG 2363:

- \* Completion of all course requirements; graded and non-graded
