During the Citizens' Comments section of the agenda, any citizen/taxpayer (that is, any member of the public, including college employees) may request to address the board in open meeting. If, however, the topic of the presentation to the board falls within one of the other policies of the college, such as the employee complaint or grievance policy or student complaint policy, the person must first go through the proper administrative channels. In such cases, the right to address the board is guaranteed after the administrative channels have been exhausted.

If any speaker's presentation contains complaints or concerns about an individual employee or officer of the district, that presentation will be conducted in executive session with the board members unless the employee or officer about whom the comments are made requests that the comments be made publicly.

These presentations are made for information purposes only. The board is required to listen to the presentations but not to discuss or act on the items presented. If the board feels the matter warrants further attention, it can be placed on the agenda for a subsequent meeting.
