

# BUSINESS ADMINISTRATION

## Associate of Arts

### Field of Study in Business Administration and Management

This is a recommended academic map for students who seek an Associate of Arts degree with a Field of Study (FOS) in Business Administration or plan to pursue a baccalaureate degree in Business Administration at a four-year institution of higher education in Texas. The Business Administration and Management Field of Study is approved by the Texas Higher Education Coordinating Board. Students planning to transfer to a four-year institution should confirm transferability of courses to meet degree requirements from the institution to which they plan to attend.

By completing the Business Administration FOS and the recommended portion of the core curriculum for a total of 60 semester credit hours, students will qualify for the specialized Business Administration Associate of Arts degree. Also, it is recommended that students complete the entire 42 semester credit hour core curriculum prior to transfer to another Texas public institution of higher education since that block of courses must be submitted for the receiving institution's core curriculum.

College Readiness Courses (if needed)

#### Semester I

ENGL 1301	Composition I (Core 010)
