

NURSING
Vocational Nursing
LVN Prep
(CIP 51.3901)
Level II Certificate

The program in Vocational Nursing includes theory and practical clinical experience designed to prepare the successful student to function as a member of the nursing team in providing nursing care for patients in structured health care settings. This program is fully approved by the Texas Board of Nursing (BON).

Upon successful completion of the program, graduates are qualified to take the National Council Licensure Examination for Practical Nurses (NCLEX-PN). Those passing this examination and the Texas jurisprudence examination will qualify for licensure as a vocational nurse (LVN).

The aim of the program is to provide the type of educational background essential to preparing vocational nurses to assist in conserving life and promoting the physical, mental, emotional, and spiritual welfare of patients and their families.
