Military Training or Coursework

Wharton County Junior College may grant credit for military training or coursework if learning outcomes are comparable to those for a WCJC course. Credit may only be given for a course that is designated as part of a student's major pathway. A student must earn an equivalent number of non-developmental college credit hours before credits for military coursework will be granted.

This form must be submitted, along with applicable military transcripts, to registrar@wcjc.edu for processing. Please remember to use your WCJC email for all correspondence with the college; non-WCJC email addresses may be blocked. Course equivalency must be approved by the appropriate departmental/programmatic administrator(s). Please allow 10 business days for processing.
