Criteria for the Award of College Credit for Postsecondary Technical (WECM) Courses
Summary of Criteria

1. The high school course is listed in the Advanced Technical Credit (ATC) Crosswalk or an Articulation Agreement (either Tech-Prep or Local) with the student's high school and is equivalent to one or more high school credits.
2. All courses eligible for college credit by statewide and local articulation are identified on the high school transcript with the special explanation course code "A".
3. The student successfully completes the high school course with a grade of 80 (3.0) or better.
4. If multiple courses and/or prerequisite courses are noted in the Advanced Technical Credit (ATC) Crosswalk or the Articulation Agreement (either Tech-Prep or Local), a student also successfully completes these course(s) with a grade of 80 (3.0) or better.
5. The student should complete the course as a junior (grade 11) or senior (grade 12). Or, if the course is part of an ATC-designated course sequence, the final course in the sequence should be taken as a high school junior or senior.
6. The student enrolls at WCJC within 15 months of high school graduation.
7. WCJC requires a student to earn an equivalent number of non-developmental college credit hours in any subject area before credit will be granted. These hours may be satisfied before high school graduation by dual credit.
8. The student must declare a college major that includes the equivalent college course(s) in the degree plan.
