Music – Associate of Arts
 Field of Study – Instrumental Majors

This is a recommended course of study for students who seek an Associate of Arts with a Field of Study (FOS) in Music or plan to pursue a baccalaureate degree in Music at a four-year institution of higher education in Texas. Students should complete the entire 42 semester credit hour core curriculum prior to transfer to meet the receiving institution's core curriculum and should confirm transferability of courses to meet the degree requirements from the institution to which they plan to attend. Students should seek advisement from the Music Faculty each semester.
