General Studies-Associate of Arts
 Multidisciplinary Studies
 (CIP 24.0102)

For timely completion of degree requirements, students should attempt 15-hours of coursework each term and take the courses in the order in which they appear on the list (with the exception of Summer and Miniterms).

Students who plan to pursue a baccalaureate degree should seek advising from the institution to which they intend to transfer. Some transfer plans may be found on the WCJC website: www.wcjc.edu > Students > Academic Advising & Counseling > Transfer Information
