# Summer Schedule

June 2022 to August 2022

### When reviewing the schedule, please consider the following:

- Due to the current pandemic, students should be aware that at any time any CE course may be moved online. It is the responsibility of the student to ensure they have access to Blackboard with an internet connection to complete necessary course hours.
- An application is required for all Health Career programs and a student must be accepted into the program before they are eligible to register
- Textbooks are included in the cost of all Health Career programs
- Students taking classes at the SGL campus will be required to purchase a parking pass from the University of Houston; this fee is not included in the cost of the program
