## Understanding of Student Responsibility

By signing this form, I understand my responsibility and acknowledge that Wharton County Junior College notified me of the following:

- Proof of High School Diploma/Equivalency/GED will be required in order to complete an application for licensure through the Texas Commission on Environmental Quality (TCEQ).
- Each student will be required to sign an “Acknowledgment of Notice of Potential Ineligibility for License”, which outlines the TCEQ’s policy on background checks and states that it is the student’s responsibility to ensure that any prior charges or offenses will not render the student unsuitable as a prospective applicant for licensure.
- Students will be required to provide a valid government-issued photo I.D. on the first day of class.
- The student must have (and be willing to provide) a social security number, as it is necessary for reporting training hours to the TCEQ
- The ability to understand and interpret at least a fifth-grade reading level is required to be successful in this course. If you are unsure of your ability, please ask a Continuing Education representative about the Pre-TASP reading test.
