- **Newspaper Source** is a database that indexes numerous newspapers. This database is a great place to start. Click on the link to open the database. The instructions for using the search screen appear below.

<ul style="list-style-type: none"> <li>o Enter your search phrase.</li> <li>o If you are searching for an article from a specific publication, enter the publication title in the <b>Publication</b> field.</li> <li>o Restrict the <b>Publication Date</b> if you want articles from a specific date range.</li> <li>o Select the limiter <b>Full Text</b>.</li> <li>o Click <b>Search</b>.</li> </ul>	
---	--

- Your search results will appear. If you want to view a full article, click on **HTML Full Text**.

The screenshot shows the EBSCO search interface. The search term is "unemployment and Texas". The results list shows five items. An orange arrow points from the top right towards the "HTML Full Text" link of the second result, "Texas unemployment rate holds at 8.2 percent".

- When the full text article opens, tools on the right-hand side of the screen will allow you to **save, print, e-mail, and view citation information for the article**.

The screenshot shows the full article page. The article title is "Texas unemployment rate holds at 8.2 percent". On the right side, there is a "Tools" sidebar with various options: Add to folder, Print, E-mail, Save, Cite, Export, Create Note, Permalink, and Bookmark. An orange arrow points from the top right towards the "Tools" sidebar.
