Course Learning Outcomes:

Learning Outcomes – Upon successful completion of this course, students will:

1. The student should be able to sing the vocal part with accuracy, confidence and vocal artistry.
2. The student should develop skills in training the ear to hear blend the voice to the overall sound of the section.
3. The student should be able to sing with clear articulation.
4. The student should be able to sing with integrity in the styles of various music cultures.
5. The student should show improvement in sight singing pitch and rhythm

Methods of Assessment:

1. The student will demonstrate accuracy, confidence and vocal artistry by singing with their vocal section by themselves for the choir director.
2. The student will demonstrate choral blend within their choral section through singing for the choir director.
3. The student will demonstrate singing with clear articulation by singing with their choral section for the choir director.
4. The student will demonstrate singing with integrity in the styles of various music cultures within their section for the choir director.
5. The student will demonstrate improvement in sight singing pitch and rhythm in their choral section by sight signing with their choral section for the choir director.
