VI. Course Requirements/Grading System – Describe any course specific requirements such as research papers or reading assignments and the generalized grading format for the course

Students in Criminal Justice courses must have a 70% average to receive a passing grade!

Grading System:

A = 90-100

B = 80-89

C = 70-79

F = 0-69

Minimum requirements include the following:

1. Attend class in accordance with college policy and as stipulated by the instructor.
2. Complete appropriate reading assignments made by the instructor
3. Complete appropriate writing assignments based on the readings, classroom presentations and discussion (if assigned by instructor)
4. Complete oral presentations (if assigned by instructor)
5. Complete appropriate tests (quizzes, major examinations, and a final examination
6. Completion of assigned case scenarios/applications

Assessment will be conducted using a variety of methods. Objective questions such as multiple-choice, matching, true/false and fill-in-the blank may be used as well as subjective questions which may demand lengthy narrative responses, and also critical thinking as applied to application-based and scenario-based assignments. Students will be tested on materials presented in class and are expected to develop listening and note-taking skills. The weight, style, and nature of the specific assessment tool is left to the discretion of the individual instructor, but each instructor must place emphasis on the development of critical thinking skills.
