Department of Dental Hygiene

Simulated Patient Exam

2024 CRDTS Site:

Wharton County Junior College is offering its facilities for the 2024 CRDTS dental hygiene licensure examination. The Dr. Anna T. Harrison Dental Hygiene Clinic is located on the Wharton Campus; Johnson Health Occupations Center first floor at the corner of Pioneer St. and Horton Foote St. in Wharton, Texas.

Parking:

Free Parking is available in Parking Lot # 6. Please park between the white lines.

Building Hours:

The building will be open each day from 6:30 AM until 5:00PM. No additional visitors will be permitted without prior permission from the site.

Clinic Information :

Pictures of the unit and equipment are located on the website at [www.whartoncc.edu](#). You may call or e-mail for additional information.

Site Fee:

All candidates, including WCJC students, will be assessed a fee of \$250. This fee will include the use of the facility, equipment and miscellaneous supplies. The Site Fee Form must be returned with a **non-refundable money order or Cashier's check payable to WCJC** no later than **May 10** .

Wharton County Junior College will provide the following equipment: see photos at

A-DEC dental unit

Surface disinfectant and barriers

Saliva ejectors, HVE adaptors and suction tips

Air/water syringe tips

Plastic cups

RDH Freedom (cordless) handpiece, prophylaxis paste, prophylaxis angle, dental floss

2x2 gauze and cotton rolls

Tray covers, patient napkins and napkin holders

Densply and/or Hu-Friedy Ultrasonic scaler and handpiece 30 kHz compatible

Satalec or Hu-Friedy Piezo Scaler and handpiece with universal tips

4 hole connection for slow speed handpiece

Quick connect for cavitron/Piezo if you choose to bring one

There is no repair service available for equipment the candidate brings to the site or a guarantee that such equipment is compatible with the clinic facilities. Therefore, we encourage you to use the equipment provided by our site. There is no additional charge.

WCJC will not provide the following:

Protective eye wear for candidate.
Instruments
Appropriate clinic attire
PPE – Required gloves, masks, over gowns, and face shields

Personal Protection and Infection Control:

Candidates must strictly adhere to all CDC guidelines concerning barrier protection and instrument/equipment sterilization. It is the policy of the Wharton County Junior College Dental Hygiene Program that all students/candidates wear scrubs, disposable over gowns, protective eyewear with side shields, gloves, face shield and face-masks while performing patient treatment. Each candidate is responsible for providing this equipment.

All instruments must be sterile and appropriately packaged.

Sterilization services are not available prior to or after the examination.

Local Accommodations:
